

# East Lake United Methodist Church Academy Final Report Form

Yes we would like to be considered for continued enrollment with the Academy for the next school year. ELUMCA reserves the right to dismiss a family who has been habitually late with reports and or tuition.

This report is due at the June meeting and will not be accepted later than the August meeting. Below are portions of our transcript form. This is so you can see what we need from you and what we will be filling in for you as your final grades and transcript. Kindergarten through 8th grade ONLY fill in the smaller box on the left under School Record K-8. 9th grade and above fill in right side that is larger and has space for extra curricular activities and stewardship.
